**FOSTER
ENVIRONMENTS
OF SUPPORT.**

Foster is a comprehensive collection for healthcare facilities that supports how patients feel – and how caregivers work.

FOSTER GUEST

AS SUPPORTIVE
AS THEY ARE
COMFORTING,
FOSTER PATIENT,
GUEST AND
LOUNGE SEATING
WERE DESIGNED
TO DELIVER A
HOLISTIC SOLUTION
TO HEALTH AND
WELLNESS.

FOSTER PATIENT MESH

FOSTER PATIENT ROCKER

FOSTER LOUNGE

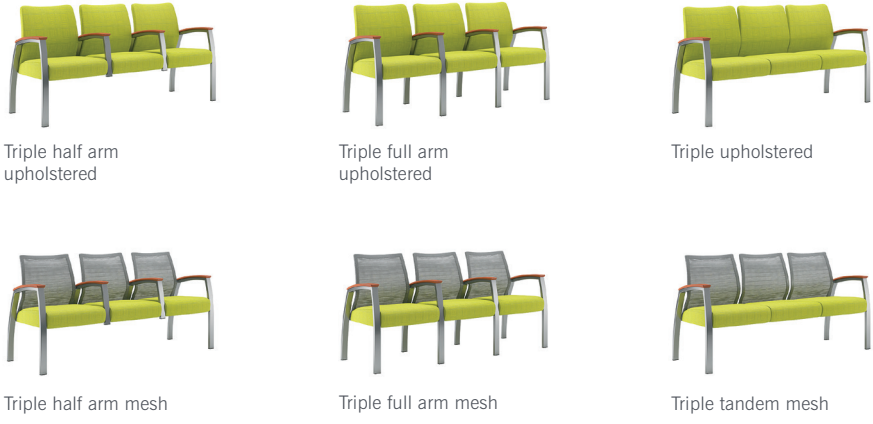

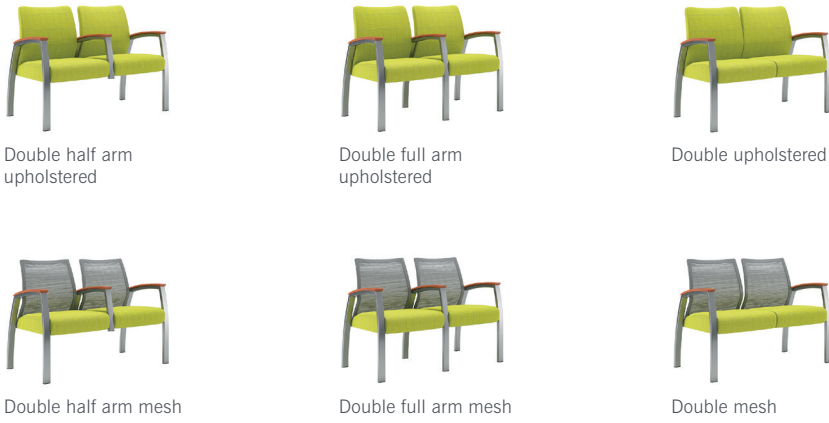

FOSTER A WARM WELCOME.

Foster takes its design cues from residential and hospitality design. Generous clean out spaces, removable seat covers and durable steel construction ensure that Foster always makes an inviting impression.

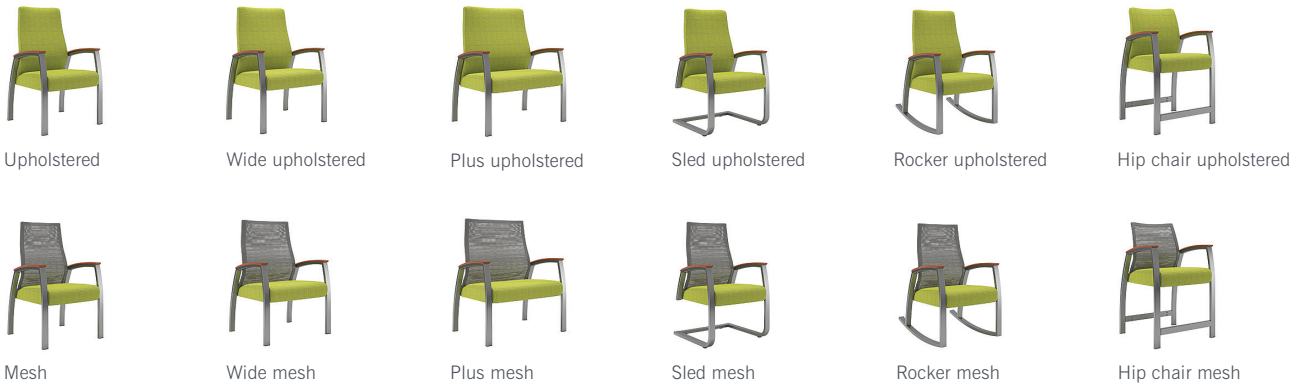

Whether as stand alone or grouped together to create dynamic arrangements, whatever your space, Foster adjusts easily to your facility's needs.

HEAD-TO-TOE SOLUTIONS.

Guest Seating

Patient Seating

Lounge Seating

Benches and Ottomans

Tables

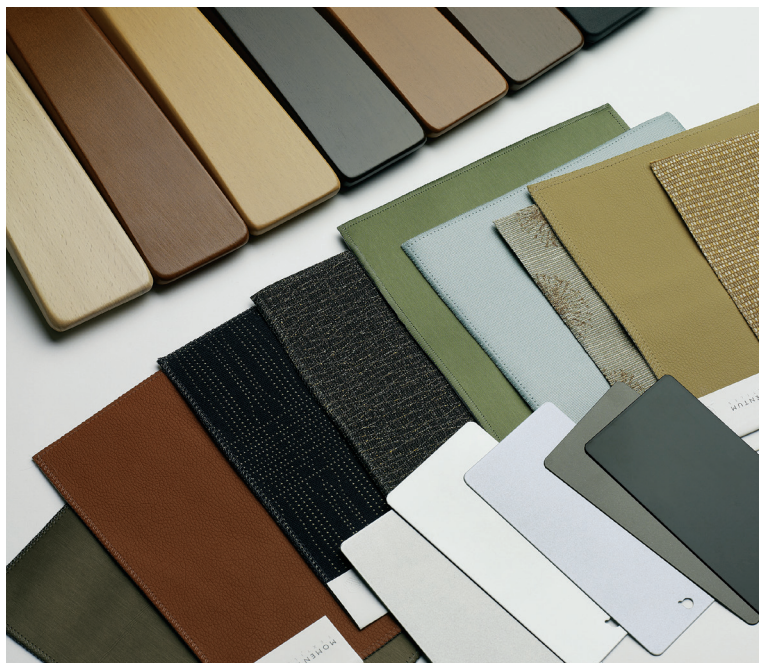

The Foster collection is highly versatile, spanning patient, guest and lounge seating with complementary benches, ottomans and tables. Most models can be specified with open or closed arms, fully upholstered or with a breathable mesh back.

Allseating is pleased to provide space-planning support to ensure Foster fits the needs of your facility. Request a quote, samples or configuration design support today.

Great care is all in the details:
